

C-Through

Mirror & Window Cleaner

Excellent soil removal

Streak free finish

Easy and economical to use

Non hazardous formula

Low odor

Introduction

C Through is a great new design in glass cleaners, it has a unique mixture of surfactants that allow all dirt, grime and grease to be removed as easily as possible. C-Through will leave your mirrors and window glass streak free with a glossy finish.

Directions for use

Use C-Through as supplied and spray directly onto surface with a spray bottle. Allow a few seconds to react then wipe off with a clean cloth. For best results do not clean glass that is exposed to the direct heat of the sun as it will dry too quickly.

Safety

This product is considered to be very safe for use, and of low impact to the environment

Pack Size
